Our step-on guide will give each of you a BROWN BAG. As we make each stop you will be given an item for your BROWN BAG, while touring the Amish countryside of Northern Indiana, and getting to know some of the local Amish Entrepreneurs. See first hand how they operate their unique enterprises. Hear the stories of friendly, hardworking people who use their special talents to create products and build businesses that serve the local community and beyond. Join us for a family style Amish meal as you relax in the warmth and charm of an Amish home, instead of a busy restaurant.

Below are some sample items.

Alpine Star pickup 7:00 am—Return 6:45 pm  
Target 54th pickup 7:20 am—Return 6:30 pm
