From a little island, set 32 miles off the shores of Charlevoix, a Mormon king once ruled, establishing a kingdom in Lake Michigan. King James Strang's monarchy was short-lived. He was overthrown and killed in 1856, six years after he was crowned. No passport required! "Beaver Island is the only former kingdom in the United States."

Ferry away to visit America's Emerald Isle! On the island you will see spectacular forests, magnificent dunes, pristine waters and historical lighthouses.
